

# WYNNE MARKETING INC. MANUFACTURER REPRESENTATIVE FIRM

Wynne Marketing is pleased to announce the addition of Seiko to our amazing line list. This is a partnership that will expand Wynne Marketing's watch and clock offerings to a new level.

**Seiko** is one of the few fully integrated watch manufactures. They have over 130 years of innovation, which still allows them to be dedicated to the perfection that the founder always strove to achieve. Seiko designs and develops their own movements using leading-edge technology. The SEIKO Corporate Gift and Incentive program is designed to help organizations recognize and reward important events and milestones with a gift that is truly classic and enduring. Whether the occasion to be celebrated is a long service award or an anniversary of a special achievement, a SEIKO watch will make it special. They are able to customize their gift watches, with a logo on the dial or a laser engraving on the back of the watch case, to allow for a highly personalized memento.

Wynne Marketing looks forward to helping you with your watch needs.
